Guidelines for Manuscripts

delta-K is a professional journal for mathematics teachers in Alberta. It is published twice a year to

- promote the professional development of mathematics educators, and
- stimulate thinking, explore new ideas, and offer various viewpoints.

Submissions are requested that have a classroom as well as a scholarly focus. They may include

- personal explorations of significant classroom experiences;
- descriptions of innovative classroom and school practices;
- reviews or evaluations of instructional and curricular methods, programs or materials;
- discussions of trends, issues or policies;
- a specific focus on technology in the classroom; or
- a focus on the curriculum, professional and assessment standards of the NCTM.

Suggestions for Writers

1. *delta-K* is a refereed journal. Manuscripts submitted to *delta-K* should be original material. Articles currently under consideration by other journals will not be reviewed.
2. If a manuscript is accepted for publication, its author(s) will agree to transfer copyright to the Mathematics Council of the Alberta Teachers' Association for the republication, representation and distribution of the original and derivative material.
3. All manuscripts should be typewritten, double-spaced and properly referenced. All pages should be numbered.
4. The author's name and full address should be provided on a separate page. If an article has more than one author, the contact author must be clearly identified. Authors should avoid all other references that may reveal their identities to the reviewers.
5. All manuscripts should be submitted electronically, using Microsoft Word format.
6. Pictures or illustrations should be clearly labelled and placed where you want them to appear in the article. A caption and photo credit should accompany each photograph.
7. References should be formatted consistently using *The Chicago Manual of Style's* author-date system or *The American Psychological Association (APA)* style manual.
8. If any student sample work is included, please provide a release letter from the student's parent/guardian allowing publication in the journal.
9. Articles are normally 8–10 pages in length.
10. Letters to the editor or reviews of curriculum materials are welcome.
11. Send manuscripts and inquiries to the editor: Gladys Sterenberg, 195 Sheep River Cove, Okotoks, AB T1S 2L4; e-mail gladyss@ualberta.ca.

MCATA Mission Statement

Providing leadership to encourage the continuing enhancement of teaching, learning and understanding mathematics.

CONTENTS**FROM YOUR COUNCIL**

| | | |
|----------------------------------|---|--------------------------|
| From the Editor's Desk | 2 | <i>Gladys Sterenberg</i> |
| MCATA Executive, 2011/12 | 3 | |
| A Conversation with Dr Jorgensen | 4 | <i>Gladys Sterenberg</i> |

FEATURE ARTICLES

| | | |
|--|----|----------------------------|
| The Problem of Problem Solving | 6 | <i>Sherry Matheson</i> |
| Breaking Silence: Initiating Conversations in Mathematics Classrooms | 10 | <i>Greg Belostotski</i> |
| An Analysis of Question Types in a Workbook for Mathematics 10C | 16 | <i>Richelle Marynowski</i> |

TEACHING IDEAS

| | | |
|--|----|--|
| Irritating Things | 22 | <i>Krista Francis-Poscente, Sharon Friesen, and Trevor Pasanen</i> |
| Online Calculus Course: Combining Two Worlds | 28 | <i>Veselin Jungic and Jamie Mulholland</i> |
| Alberta High School Mathematics Competition | 34 | |
| Edmonton Junior High Mathematics Competition | 41 | |
| Calgary Junior High Mathematics Competition | 51 | |

BOOK REVIEWS

| | | |
|---|----|--------------------------|
| Sense Making in an Era of Curriculum Change | 60 | <i>Gladys Sterenberg</i> |
| Your ATA Library Loves Math! | 61 | <i>Sandra Anderson</i> |

PROBLEM PAGE

| | | |
|-------------------------------|----|---|
| Three Speedy Whales Solutions | 62 | <i>Gregory Akulov, Darryl Smith and Percy Zalasky</i> |
| Diamond Slopes Problem | 63 | <i>Gregory Akulov</i> |
