To

*Kristen and Scout, for moving to the other (much colder, flatter) side of Alberta  
so that I'm able to take on projects like this*

&

*Gary, who has supported my own math education and who pays me  
the greatest compliment (humbly received) as a teacher of teachers*

&

*In memory of*

*Karen Virag, supervising editor of publications  
at the Alberta Teachers' Association, who gifted us with her exceptional expertise  
and gracious guidance throughout the editorial process.*
