MET-RI-CATE! Don't wait! MET-RI-CATE! It's great!

MET-RI-CATE! Don't be late! It's time to MET-RI-CATE! Re-nounce the

ounce, for-get the pounds, It's kil-o-grams the world a-round, So

MET-RI-CATE! Don't wait! It's time to MET-RI-CATE. Feet are

out, and in-ches too, We use me-trics and so should you, So

MET-RI-CATE! Don't wait! It's time to MET-RI-CATE! The li-tre's

neat-er, we all a-gree; Try it out and you will see.

MET-RI-CATE! Don't be late! It's time to MET-RI-CATE! It's

time to MET-RI-CATE! It's time to MET-RI-CATE!
